

About us

BRSi has been a **pioneer in the healthcare billing and collection industry** since 1992. We offer expertise in all of the main Electronic Health Record (EHR) systems, and continue to provide recovery services across hundreds of healthcare facilities.

As a trusted partner for our clients, our services extend from helping clients transition between EHR systems to building the most advantageous revenue cycle process.

BRSi expertise

Recovery services across healthcare facilities

Electronic Health Record (EHR) systems

Markets We Serve

BRSi has expansive solutions that service a breadth of healthcare clients:

- Large Health Systems
- Rural Hospitals
- Veterans Administration
- Managed Care Organizations
- Defense Health Agency
- Medicaid Agencies
- Indian Health Services / Tribes
- Surgical Centers
- Academic Universities

Government

We offer a full suite of service and software solutions that maximize reimbursement, revenue, and recovery and simplify federal program administration.

Publicly Funded

We offer program integrity, enrollment maintenance, and revenue capture programs ensuring appropriate payments based on all coverage in effect.

Healthcare Providers

We optimize business office operations from registration to denials management to enhance revenue streams and enable efficient, quality care delivery.

Our Mission

Realize every opportunity to make a positive contribution to those supporting healthcare and critical social services in our communities.
